Additional Documentation (if requested)

If there is conflicting information between your FAFSA and CSS Profile, or if you've been selected by the U.S. Department of Education for verification, we will need additional documentation to verify that your application is correct. If we need further information, we'll send you an email. You must submit all requested documents before we can finalize your financial aid offer.

If you miss this date, that's OK! You won't miss out on funding. We'll continue to send aid offers on a weekly basis to students who complete their aid applications after the priority deadlines listed below.
